## **CACFP Success Stories**

We know a lot of great things are happening in Indiana related to serving nutritious meals and snacks. We want to capture those stories and feature them in our 2009 CACFP workshops. Please share your success story in the box below. A few ideas are to share a technique you use to introduce a new food, a kid-friendly snack idea, or a time-saving tip. Thank you for sharing!

Name of person submitting the story (optional): \_\_\_\_\_

Name of childcare facility: \_\_\_\_\_

### **Your Story**
